

Dear Camper

As the head women's basketball coach, I invite you to become a part of the rich tradition of UW- Oshkosh Women's Basketball. Our camps are unique in that I teach and participate in every session. Also, several members of our 2010-2011 teams will work as instructors and be involved in giving you the best possible camp experience. Our quality coaching staff instructs and demonstrates individual and team skills. It is our pledge at UW-Oshkosh to run quality girls camps.

All games and practices are within one block of our food service and residence halls. No busing or excessive walking.

Our **Position Camp** will be held June 10-12. This camp is designed to help individuals work on the needed skills to perform the position (guard/post) that they have desire to play.

We strive to provide quality instruction and extensive experience for every camper forming the best environment to make a better basketball player.

Sincerely,

Terri Schumacher
