<i>UW-Whitewater</i>	7	7	7	7	7	7	7	7	7	63 pts. 1st - 7	14	7	21	1st

\*\* The 2008 WIAC champion will be determined by using a combination of the regular season dual meet results and the conference tournament standings. The finish in the regular season dual meet standings accounts for one-third of the criteria, while the WIAC Tournament results account for the remaining two-thirds. Enter the number of points earned in each flight next to the corresponding total (1st place - 7 pts., 2nd place - 6 pts., etc.). Add the number of total points in the conference tournament points column. Then determine the tournament team place and points multiplied by 2 (1st place - 14 pts., 2nd place - 12 pts., etc.). The top four teams (in the overall standings) will participate in a team tournament in the spring to determine the conference's automatic qualifier into the NCAA Division III Tournament.
